Subject: RE: Global Petroleum - South Portland, ME, Response to EPA Questions

Michael,

Happy New Year. We wanted to follow up regarding the meeting on Monday, January 29. Can your team meet that day for a teleconference with us at 1pm? It may be best to reserve two hours for the call (although we may not need that much time). Please let us know if this works for your team.

Thanks,
Pat

Pat,

The 29th is good for all of us. As we get closer, let me know if you want to plan a meeting in Boston, or whether you can only do this by conference call. I hope you will enjoy the holidays!

Michael

Hi Pat,

Thanks for the update. I'll check the dates with our team and get back to you as soon as possible. Both dates are fine with me.

Michael

Michael and Matt,

Good morning. We wanted to give you an update. EPA continues to evaluate the information that you provided on November 20th. We plan to resume settlement discussions with you soon. Considering holiday schedules, however, we don't expect to be in a position to do so until the new year. We'd like to get a date on the calendar for a meeting of the parties to discuss settlement during the week of January 22 or January 29. A conference call may be easier to facilitate, but we are also open to a face-to-face meeting if you'd prefer. We'd appreciate your letting us know your availability.

Thanks, and please let us know if you have any questions/concerns.

- Pat

David, Bill and Pat,

Please find attached Global's additional response to the US Environmental Protection Agency's ("EPA") September 29, 2017 "Questions Regarding Global Partners LP Settlement Proposal of August 30, 2017".

Thank you,

Matt
